

Brown Mission, Vision, and Belief Statements

(revised January, 2010)

I. Mission Statement:

Our Mission is to be: *Completely Committed to Kids!*

II. Vision Statement

We will educate ALL students at their optimum learning level so they will experience academic and behavioral success and become productive citizens and life-long learners.

III. At Brown Elementary School

We Believe That:

- **Safety, respect, and responsibility** are the expectations we have of all members of our school family.
- A **strong well-rounded educational program** is essential for student success.
- **Good communication** benefits all.
- Learning takes place in an environment of **mutual respect**.
- Building **positive relationships** and **partnerships** are the keys to a productive school system.
- The **understanding, use and implementation** of **technology** are essential to the success of our students and district.
- **Nurturing a love of learning** and sparking innate curiosity in children are key components of a successful educational program.
