

THE MILLER PONY EXPRESS

Lynnore L. James, Principal

January 3, 2011

Miller Mustangs – Galloping to Success!

The mission of William D. Miller Elementary School is to ensure that students are learning in an environment that supports positive academic, social, emotional and physical growth of all individuals while challenging them to exceed their own expectations.

CHRISTMAS BASKET DRIVE – We would like to thank all the students and their families for bringing in can goods for the Huron families. **Mrs. Arnett's 1st grade class collected the most cans, 110 total** and will be treated to a pizza party sponsored by New Boston's D'Angelos Pizza. Mrs. Shroyer's class came in 2nd with 86 cans and Miss Otter's class came in 3rd with 79 cans. We collected a total of 737 cans. Way to go!

MILLER CHRISTMAS TREES – The Miller PTO and Huron Goodfellows would like to thank all the families that participated in decorating our Christmas tree with hats, mittens, scarves and gloves for distribution this holiday season.

BOYS BASKETBALL REGISTRATION – Boys basketball registration will take place on Tuesday, January 4th and Thursday, January 6th from 6:00 to 7:30 p.m. at Brown Elementary. Registration forms are available for download online at www.hurontownship.com. For questions regarding registration, please email HYBA@hurontownship.com

NO SCHOOL FOR STUDENTS – There will be no school for students on Monday, January 17th due to teacher in-service.

PTO MEETING – There will be a Miller PTO meeting held in the Miller Theater on Tuesday, January 18th at 4:00 p.m. Come see what we're about! All are welcome!

DRESS FOR THE WEATHER – The students will be going outside for recess and will need proper outside wear. Please be sure that your child is prepared for the winter weather.

PAPER RECYCLING – Our paper retriever bin has been filling up fast and we appreciate our families helping our school to raise money for worthwhile activities. In order for Miller Elementary to be good neighbors, we ask that **all shredded** paper materials be bagged before being put in the retriever bin. Remember, we're recycling for our children's future.

CHILDREN'S HEALTH – The CDC's recommendation for the best way to protect against the flu is to get vaccinated and practice good hygiene (washing hands frequently, covering coughs and staying home if you are ill). Children with flu-like illness should remain at home and away from others until at least 24 hours after they are fever-free, without the use of fever-reducing medications.
